OBJECTIVE

As a licensed professional, my goal is to further experience in the field of Architecture and Design. I want to continue to better myself and the Firm that has given me the opportunity to do so as well.

SKILLS

As an Associate Architect, I have worked with many Contractors, Developers/Owners, and Architects. Have managed both an office environment with 4 to 5 drafter and managed multi-million dollar building projects through construction phases.

EXPERIENCE

Sept. 2005 - May 2007 **Bradford Building Corp.**

Winter Garden, FL 34787 (407) 656-6397

Draftsman

I was one of 2 draftsmen working to create and design full sets of residential architectural plans.

I worked with engineers (civil and truss designers) and have gain valuable knowledge to further my drafting.

I have worked in the field, given and solved many on the spot changes or problems.

Met with clients and worked alongside them to make their home dream a reality.

July. 2007 - March 2009 **Ames Architecture**

Delray Beach, FL 33444 (561) 274-6444

Associate Designer

Worked in a group of 4 Designers to design and release plans in the Residential department of the company.

Responsible for taking a set of plans from preliminary design to final Construction Documents.

Coordinate with Contractors, and Vendors to update plans and supplies.

Meet with clients in field or office to coordinate plans, deadlines and also preliminary presentations.

Responsible for preliminary presentation design in both 3D and 2D.

Jan. 2012 - May 2018 **Mummaw and Associates**

Boca Raton, FL 33432 (561) 361-0375

Associate Licensed Architect

Worked alongside the Principal Architect to manage workloads, staffing and client's needs.

Worked Directly with Clients, Consultants and other Parties to understand and meet Client needs for their projects.

Managed a staff of drafters to complete and publish Architectural Drawings, not limited to construction documents, schematic designs, entitlements and site plan approvals.

Worked with City Staff to process Site Plan approvals, Building Permits and Entitlements.

Took Projects from Design Conception to fully Built Projects primarily in the Commercial Field.

Reviewed both Architectural and Construction Documentation from AIA Documents to Shop Drawings/Submittals.
